18 February 1966

Paul;

25X1A 1. Reference my 10 February note to you in which I
25X1A mentioned that [] has taken over []
25X1A [] responsibilities at the Pentagon. [] called
25X1A me on 9 February to say that Dick Helms had asked him to
25X1A take on this task in addition to his liaison work with
25X1A Cy Vance. I have been unable to find anyone who knows what
[] next assignment will be.

25X1A 2. [] has SI, T-KH, [] C, [] and G clearances. 25X1

25X1A 3. [] Special Assistant to [] is
25X1A still wading through the material left there during Dr.
25X1A Wheelon's last visit. OSI is preparing a summary listing of
25X1A selected OSI and FMSAC publications for the past month. This
25X1A should be available on Monday, 21 February.

25X1A 4. Don Chamberlain has reservations about []
25X1A acting as interface with [] and DD/R&E. He wasn't too
25X1A keen on [] becoming involved in liaison and now
25X1A that [] has entered the picture he is even less enchanted.
25X1A He plans to discuss this matter with Bud soon.

25X1A 5. [] is charged to the Liaison Office of the DCI
25X1A to the SEC DEF.
